ASSIGNMENT

1 In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to GLAZER ENTERPRISES, INC., d/b/a ELLIOTT EQUIPMENT COMPANY, a
5 Nebraska corporation, having an address of 4427 South 76th Circle, Omaha, Nebraska 68127, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, Serial No. 10/045,106, filed in the United States Patent Office on the 7th day of January, 2002, entitled A TELESCOPIC BOOM-
10 MOUNTED CONCRETE PUMP APPARATUS, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications,
15 and in any reissue or extension thereof.

 The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to GLAZER ENTERPRISES, INC., d/b/a ELLIOTT EQUIPMENT COMPANY.

20 For said considerations, the undersigned hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and for
25

1 the said considerations the undersigned further agrees, upon the request of said
assignee, its successors or assigns, in the event of any application or Letters Patent
assigned hereby becoming involved in interference, to cooperate to the best of the
ability of the undersigned with said assignee, its successors or assigns in the matter of
5 preparing and executing the preliminary statement and producing evidence in support
thereof, the undersigned hereby agreeing to perform, upon request, any and all
affirmative acts to obtain said Letters Patent of the United States and vest all rights
therein hereby conveyed in said assignee, its successors and assigns, whereby said
Letters Patent will be held and enjoyed by the said assignee, its successors and
10 assigns, to the full end of the term for which said Letters Patent may be granted as fully
and entirely as the same would have been held and enjoyed by the undersigned if this
assignment and sale had not been made, together with all claims for damages by
reason of past infringement of said Letters Patent with the right to sue for and collect the
15 same for its own use and enjoyment, and for the use and enjoyment of its successors,
assigns or other legal representatives.

And for said considerations, the undersigned hereby assigns to said assignee, its
successors and assigns, the entire right, title and interest in said invention or
20 improvements for any and all foreign countries and agrees, upon the request of
assignee, its successors and assigns, to execute any and all documents that
undersigned shall be requested to execute in connection with any and all applications
for foreign Letters Patent therefore, including the prosecution thereof, and to execute
25

any and all documents necessary to vest title in said foreign applications and patents in
1 assignee.

The attorneys of record are hereby authorized to insert the serial number and
filing date in the above blank spaces when received from the Patent Office.

5 Witness my hand and seal this 6 day of February, 2002.
